

Totobobo Petit simulator

Scale 1:1

Paper simulator mask to test if Totobobo mask fits the face of the intended user.

Steps:

- ① Cut the mask simulator out from this sheet
 - ② Fold along the center line, printing facing out
 - ③ Join both sides of the nose edges and chin edges together with Scotch tape
- The Totobobo mask simulator is ready!
To fit smaller faces trim the mask by following the dotted lines.
